Framework

Modes of evaluation

The evaluation focuses on C1 and C3 skills.

It takes place within the company or a vocational school or centre which has signed an agreement with the French vocational school/training centre. It is carried out by one or more representatives either of the foreign company or of the host country training centre.

The grid is filled in by the foreign evaluator(s) and it is sent to the French school or centre, according to the procedures defined in the convention.

Targeted skills	Skills description	Expectations
C 1 Can understand and make himself/herself understood in a professional situation abroad	<u>Being able to</u> : <ul style="list-style-type: none">- Inquire, collect and analyse data and information ;- Identify the oral and written instructions ;- Use varied and adapted means of communication (gestures, written, digital or graphic medium, etc.).
